## DUCHESNE COUNTY-GRAND MARSHALS

Doug and Sandra Swasey are both life-time residents of Duchesne County.

Doug, the son of Sherman and Birdie Swasey grew up in Boneta. Sandra, the daughter of Grant and Lois Bleazard, grew up in Mountain Home. They both attended elementary and high school in Altamont, graduating from Altamont High.

Doug attended Utah State, then served an LDS mission in Indiana and Michigan. Sandra attended BYU, graduating with a degree in Elementary Education.

They married in 1974 and bought the family dairy farm in Boneta from Doug's parents. Together they had three children, Reed, who died in 2017, Stephanie Mecham and Tiffany Brown. They have three granddaughters and three grandsons.

In 1991 they bought Mohlman's grocery store in Altamont and renamed it Swasey's Foodtown. For 25 years they took pride in serving the people of the Upper Country with fair prices and a clean store. Doug served on the Duchesne County School Board for 20 years, serving as the president for eight years, and playing a large part in getting the new high school buildings for Altamont and Duchesne. He also served on the Associated Water Users Board for over 25 years. For many years, he participated in the Demolition Derby at the Duchesne County Fair.

Sandra continued teaching school at Altamont Elementary for 30 years, teaching Kindergarten, 2nd, 3rd, and 4th grades. She had strong expectations for her student and expected them to behave with respect. In the words of Howard Todd, one of the principals she worked for, "Sandra was a firm, but fair teacher." She had a lasting impact on those that she taught.

Stan and Suzann Young were both born and raised in Duchesne.

Stan is the son of Bert and Mariam Young. Suzann is the daughter of Raleigh and Dora Ivie. They attended Duchesne High School. Stan graduated in 1968, Suzann in 1969.

After graduating they attended and graduated from Utah State University. They were married and had their oldest son Jason while attending Utah State. Stan ran track and was the assistant track coach for one year.

Upon graduation they moved to Tabiona where they taught school and Stan coached basketball for three years. They moved to Vernal and taught for one year where Stan coached basketball and track. Their second son Wesley was born.

Then they moved back to Duchesne where they taught, and their third son Robert was born. Suzann taught at the elementary for 35 years before retiring in 2012. Stan taught at the high school for 42 years and coached basketball for 35 years. He also coached track and football for a time. He was the principal at Duchesne for his last 21 years. After a total of 47 years he retired in 2020 to become a full time horse trainer and breeder.

## LEGENDARY COWBOY

Gary  
Goodrich

I was born in the year of 1938, in Bluebell, Utah. My parents are Verona and Leland (Lee) Goodrich. I was the third son of three. My brothers are Bruce and Ron, I was given the name

of Gary. I have lived in Bluebell all my life, except for five years when our family moved to Maeser, Utah for employment, because we had sold the milk cows.

I married Nonalee Holgate in 1957. We have been married for 62 years and counting. We have raised six great kids; Kim Fisher (Eric), Linda Rosewood (Brad), Sandy Ames (Bryan), Jodi Wadsworth (Darryl), Jamie Thacker (Darrell), and Scott (Lisa Labrum) Goodrich.

The country life has been good for me. I always had a horse to ride, and a dog to play with. Always some adventure just around the corner.

I started school, the same day my mother started school. A kid don't get to goof off too much when his mother is the teacher. The elementary school was located in Bluebell where the town park is now.

Dad bought a horse for us boys to share. We called her Cheyenne. Every day when school let out, I would run home through the field so I could be the first to ride her. We rode her bareback at first, but later on, we got our first saddle. We had fun building a cart for Cheyenne to pull us around.

There was plenty of chores for us kids to do. Milking cows was one of the big ones. I started milking cows at the age of six. This was milking by hand, and sitting on a little stool. Of course, I got to milk the cows that were drying up. When I was eight we got electric milking machines, I was really excited about this. I watched the guys put every part together. Oh Happy Day!

We had registered Columbia Sheep for 4-H projects. I got Grand Champion Ram at the Duchesne County Fair.

As I was getting a little older (maybe 13) the Goodrich Brothers; Gardner, Fred, and John, ask if I would help move their cattle to the mountain for summer feed. These men were my great uncles. I was excited to go and asked what I needed to bring. Uncle Gard said that he had everything. But when we got to the camping grounds and set up camp, there were all kinds of food, but not one pan to cook in. But we made do. We borrowed a dutch oven.

When I was entering into the 7th grade, we left our little Bluebell school behind and went to Altamont High School. Jr. High and High School were in the same building. Dad bought a paint horse (Comet) to rope from. There was nothing more fun than to rope. About every weekend we had a rodeo to go to. We joined the Western Stope Rodeo Association. These rodeos were held in western Colorado and Eastern Utah. We were roping off our two stallions "Denny Star" and "Skips Ruler". These two horses ended up being great roping horses. I roped off "Denny Star" in calf roping and in team roping I headed off "Skip Ruler". Dad heeled off "Denny Star" We done fairly well. We did win a few belt buckles and trophies along the way.

I had started training a few horses to race at about his time. We entered a rodeo in Craig Colorado which was having a race meet also. So I entered this little mare in a quarter-mile race. I was ponying the mare to the starting gate when I heard my name called to rope my calf. I handed dad the mare, and I ran through the in-field to rope. I won the calf roping and the mare ran second in her race. It was pretty wild for a while, but it turned out good.

In 1965, I had the opportunity along with Rhett Searle, to judge the Horsemanship Competition for the Utah State Highschool Rodeo Queen Contest. This was the first Utah State Finals Rodeo. It was held in Vernal, Utah.

In the early 1980's I was honored to be over the Duchesne County Fair Rodeo. I asked for Claude Crozier to help.

I have been involved with horses and livestock all my life. Our family has shown horses in fairs, and horse shows, in halter classes, roping classes, and working cow horse classes. Along with racing horses. I trained (mostly my own) horses to run flat saddle and chariot racing.

This has been a family affair. It's a life that bonds families together. Nonalee and I have raised six wonderful kids that have helped along the way. Now there are grandkids helping also. The last few years my son Scott has done most of the training- but I am not ready to be turned out to pasture yet!! I am still much involved!!

## PAUL BREWER-MAGIC SHOW

TUESDAY, AUG. 10, 4:30, 6 AND 7 P.M.  
ROY PARK

Magic is already in the air. A show from Paul Brewer just helps capture it.

Presenting the one, the only Paul Brewer who can mesmerize two dozen kids, a roomful of adults, and amazingly, even a cynical teen all at once.

It's no hoax. Paul Brewer is recognized (and asked to reappear again and again) thanks to his uncanny ability to transform a show around the needs and moods of the moment.

Paul and his lovely assistant (and wife) Jodi starred in 1,600 sold-out shows at the Lotte World Adventure theme park in Korea. Together, they entertained thousands on a daily basis without being fluent in Korean (now that's a trick). Paul also created the magical atmosphere surrounding Salt Lake City's 49th Street Galleria amusement center. With 30 years experience, he continually entertains for schools, church functions, special needs groups and more.

With dazzling magic, family-friendly comedy, and safe audience participation, it's the perfect show for the Duchesne County Fair!

# KALEB AUSTIN

WEDNESDAY, AUG. 11, 7 P.M.  
OUTDOOR ARENA

Kaleb Austin is the opening band for Lanco.

Kaleb Austin grew up in a large family full of musicians and was constantly exposed to live music, mostly country and rock. This cultivated a deep love and connection with performing from a very early age, specifically performing country music. At 14, he began with a few guitar lessons, which quickly became useful in writing his own music. Songwriting then blossomed into a creative outlet for him to express his life.

During his senior year of high school, this skill would prove useful as his world was turned upside down with the news of becoming a young father. Predictably, he didn't have a clue how to express the whirlwind of emotion at such a young age. So, he turned to the pen and paper. Over the course of a few years, he decided to take songwriting to the next level and moved to Nashville to learn from the best in the world. He immediately got busy writing and co-writing as many songs as possible.

After almost a year, he moved back to his native state of Utah due to family reasons. However, he returned armed with the songwriting skills he needed and penned his first #1 hit single "Sound of the South" shortly after returning to Utah. On January 19, 2021 this single debuted at #1 on the iTunes country chart and was the third most downloaded song in all of country music the week of its release.

Kaleb attributes the success of this single to his wife, God, and massive social media following on TikTok and Instagram, where he has a combined fanbase of almost 1 million. In addition, this single has racked up over 350,000 streams within the first 2 weeks of release. He plans to release his next single, "Sun Goes Down," in May of this year, and is now writing for his upcoming E.P. set to be released sometime early 2022.

## LANCO CONCERT

WEDNESDAY, AUG. 11, 7 P.M.  
OUTDOOR ARENA

LANCO continues to pave its course after the success of their 2x platinum multi-week radio chart-topper "Greatest Love Story" and critically acclaimed GOLD hit "Born To Love You."

The five-man band's No. one selling debut and coming-of-age album, "Hallelujah Nights," made LANCO the first country group to debut on the Billboard Country albums charts at No. One in 10 years with their coming-of-age album.

Now they have dropped two irresistibly nostalgic tracks "Old Camaro" and "What I See," which serves as their new single at Country radio.

Revealing another layer of LANCO, they fuse together a modern twist on sentimental hometown memories combined with a fresh mix of organic sounds. The new music from the ACM "New Group of the Year" follows

multiple nominations from the CMT, CMA, ACM, AMA, and i Heart Awards, while Lancaster became the first member of a group to ever win NSAI's "Songwriter/Artist of the Year."

LANCO has already mapped out plans for the new year as their headlining "What I see tour" will launch Jan. 9. The new dates propel LANCO's road-warrior mentality after hosting capacity crowds and playing over 100 shows this year including their head lining run over seas and sets at prominent festivals. The "What I see tour" kicks off ahead of LANCO hitting the road with Miranda Lambert for her 2020 "Wildcard" tour. For more information on LANCO and upcoming tour dates visit [www.lancomusic.com](http://www.lancomusic.com).

Ticket's  
are \$20/per-  
son.

## HORSE PULLS

SATURDAY, AUG. 14, 11 A.M.  
INDOOR ARENA

Have you ever been to an old-fashioned horse pull where draft horses pull weight much heavier than they weigh? Saturday, Aug. 14, there will be a horse pull at the Duchesne County Fair. Teams from Idaho, Utah and Wyoming will be here to compete in three weight divisions. The light weight teams will weigh up to 3,200 lbs., middle weight teams 3,201 to 3,500 lbs. and the heavy weight teams anything above 3,501 lbs. It's amazing to watch these animals use all the muscle they have to pull the weight. They have pulled weight up to 12,000 lbs. Come join us at the Duchesne County Fair, Aug. 14, at 11 a.m. for a Horse Pulling Match.

If you have a team and are interested in participating, please call Joe McKee (801) 870-4195 or Julie Martin (801) 244-9468. All light weight and middle weight teams must weigh in 3 hours prior to the match time.

## COWBOY MOUNTED SHOOTING
