Revisiting Creedence

Wednesday, August 10th, 8 PM
Outdoor Arena

They toured the world with Creedence Clearwater Revival members and Rock & Roll Hall of Famers for the past ten years. Now they've been passed the baton and are continuing the CCR Legacy, live in concert.

Revisiting Creedence's front men Dan McGuinness (lead vocal/rhythm guitar) and Kurt Griffey (lead guitar/backup vocal) performed over the past decade with rock royalty-- fronting Creedence Clearwater Revival's legendary rhythm section and founding members Stu Cook (bass and backup vocal) and Doug "Cosmo" Clifford (drums) in Stu and Cosmo's touring band Creedence Clearwater Revisited.

Since Dan and Kurt first took the stage together with Creedence Clearwater Revisited in 2011, they performed with CCR's Stu and Cosmo in nearly 1,000 concerts around the globe-- across the United States, Canada, South America, Mexico, and New Zealand-- rocking the iconic catalog of CCR, one of America's all-time greatest bands.

Kurt and Dan's musicianship and experience are the key to the Revisiting Creedence concert experience. With the purity and power of McGuinness' soaring voice, coupled with Griffey's lead guitar prowess, Revisiting Creedence nails signature evergreen hits such as "Green River," "Bad Moon Rising," "Down on the Corner," "Born on the Bayou," "Fortunate Son," "Proud Mary" and many more. Kurt roams the stage driving extended jams in "I Heard It Through the Grapevine" and "Suzie Q." The show is an absolute blast for the audience, which typically knows every word to every song.

Ron Wikso anchors Revisiting Creedence on drums. Wikso's pedigree includes being personally hand-picked by Doug "Cosmo" Clifford to sub for him in Creedence Clearwater Revisited. One of the finest drummers in the world, in addition to having toured with Creedence Clearwater Revisited, Wikso has toured with Steve Miller, David Lee Roth, Richie Sambora, Santana and Journey's Steve Nieve, Foreigner, and others. Joining Revisiting Creedence's on bass is Mick Mahan. Mahan has toured for more than 25 years with Pat Benatar and has even recorded with none other than Creedence Clearwater Revival's legendary songwriter, lead singer, and lead guitar player, John Fogerty.

Simply put, Revisiting Creedence is the only band in the world with the heritage, experience, and dedication to honor and celebrate live the music of Creedence Clearwater Revival authentically and respectfully.
